Achieving a tiered ranking signals a unique combination of quality law practice and breadth of legal expertise. The 2017 rankings are based on the highest number of participating firms and highest number of client ballots on record. To be eligible for a ranking, a firm must have a lawyer listed in *The Best Lawyers in America*, which recognizes the top 4 percent of practicing attorneys in the US. Over 21,000 attorneys provided almost 700,000 law firm assessments, and almost 8,000 clients provided more than 47,000 evaluations. Ranked firms, presented in tiers, are listed on a national and/or metropolitan scale. Receiving a tier designation reflects the high level of respect a firm has earned among other leading lawyers and clients in the same communities and the same practice areas for their abilities, their professionalism, and their integrity. Awards were given in 74 national practice areas and 122 metropolitan practice areas. The 2017 “Best Law Firms” rankings can be seen in their entirety by visiting bestlawfirms.usnews.com.
